

ZAND LOOPERS ZANDLOOPERS

The Zandloopers is a band that was established in the summer of 2019 in Prague, consisting of a duo.

- Maarten Crefcoeur – Guitar and Piano
- Heyme Langbroek – Tenor Saxophone and Trumpet

Maarten is classically trained and finished the conservatorium in The Hague (Netherlands) for guitar, piano and sound engineering. He has been playing both solo and in different bands and styles since his teenage days. He's also working as a music teacher for guitar and piano for both the theory and practical parts.

Heyme started his music career in Belgium. He has been schooled in Trumpet since age 12, picked up a saxophone and guitar at a later date, and was playing and touring with different bands, Kiss My Jazz, Lionell Horowitz and combo. He has been released on 8 full CD's, of which 2 solo CD's, and some singles and compilations as guest musician.

With the Zandloopers they play live fully improvised, record riffs on the looper, and create layers on top, creating a trance-like jazzy atmosphere. Styles alternate from Blues to Jazz to Funk, adapting to the atmosphere of their surroundings.

The Zandloopers are perfect for events where you want to provide people with unique jazzy lounge music where conversations are still possible, company events, parties, weddings
